

\$15 Suits?

Yes, the **House of Born** makes suits to order for \$15—but they are not \$15 suits.

They're the kind of suits the "fifteen dollar" tailors try to make for \$20. Our better value is due to our greater sales.

But we don't advise a man to buy any \$15 suit. It costs as much to sell a \$15 suit as a \$25 suit. So the man who pays \$25 receives a greater percentage of his purchase price in actual clothes quality and service.

At \$20 or \$25, **M. Born & Company** will tailor a suit exactly to your order, with the finest of pure wool cloths, guaranteed linings and honest hand workmanship—a suit that will keep you well dressed long after two of the ordinary \$15 variety have gone to the rag man.

Drop in this week and ask for "**Born's Blue Book**"—you'll be delighted with the woolen selection, and amazed at the values offered.

Her Good Work Wins Contract and Stardom

Mae Gaston, a Recent Addition to the Horsley-Mutual Forces.

Because of her exceptionally stirring portrayal of the difficult role of Diana Strongwell in "The Love Liar," a Mutual Masterpicture, De Luxe Edition, starring Crane Wilbur, David Hirsley has engaged Miss Mae Gaston as a permanent member of his stock company.

Miss Gaston, whose picture career extends over several years, was especially engaged as a co-star with Mr. Wilbur in this production. Her success in the role, however, was such that a long time contract was offered her and accepted. A feature, in which she will be starred, is now in preparation for early release through the Mutual.

Insisted On Being An Actor, And He Is

George Mario, Thanhouser-Mutual venile.

"I wanted to be an actor from the very first time I entered a theatre. In fact, I decided right there that no other calling would suit me. I persevered, and here I am," declared George Mario, the handsome juvenile of the Thanhouser-Mutual studios, when asked how he came to take up a professional career.

Naturally, when Mario decided to be an actor and nothing else, he grasped at the very first opportunity presenting itself. It was with a stock company, where he remained six years, gaining some real experience. Later the pictures claimed him, and after important engagements with various studios he was engaged by the Thanhouser-Mutual Company about a year ago.
